

# NAY ZAW NAING

Web developer

## ABOUT ME

I am a passionate web developer from Myanmar. I am 21. I want to use my skill and experience to improve my work. Try my best to improve in work. I have successfully passed the FE Exam Evening and N4.

## EXPERIENCE

I do not have formal work experience yet, but I have learned the fundamentals of web development. I have practical knowledge in HTML, CSS, JavaScript, and responsive web design. I am committed, responsible, and eager to apply my skills and grow as a developer in a real work environment.
